Buyer's Guide

FAMILIES

Yes it is an acronym and it means something.

Fathers And Mothers Illustrating Love In Everyday Situations

Who we are~

We are a father and mother committed to illustrating love in our everyday lives.

- Our first commitment is to love the LORD our God
with all our heart, soul and might and our neighbor as ourselves.
- Our marriage is a covenant with one another.
As we focus on the needs of each other we are rewarded with an enduring love.
- Our children and grandchildren are gifts from God.
We desire our home to be peaceful, fun, and filled with learning.

What we do~

we recognize the invaluable components of quality and continued service.

we negotiate with top craftsmen in the industry and pass the value on to you.

we offer a comprehensive experience, from choosing, to installation, to service after the sale.

we are here after the sale. With 30 years in business you get longevity as a component of your purchase.

we know buyers have choices.

we say thank you for choosing FAMILIES as a place to source what you need for your family.

May our daily life witness encourage you to care for those in your sphere.

Love and Cheer. What a beautiful year!

A peek into our 2022.

Our personal highlight of 2022 has been both simple and profound. - all things birds and butterflies.

finding nests. lifting up the grands so they can, 'See too!'. filling feeders. identifying species and songs. planting habitats. feeding caterpillars. watching butterflies emerge. being awed by both diversity and provision.

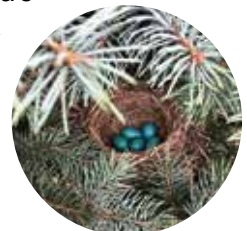

Paul and I spent the year feathering a nest of our own. A tiny apartment and an office space on 2+ acres in Kirkwood, Project 365 Sproul. We are anticipating our shift into this next season. The bird feeders are hung. The gardens are beginning to flourish.

Cousin's Camp just happened when 11 cousins had a spontaneous sleepover. "Gramma, next year we will...!" There you have it, the 1st Annual. built a tee pee. splashed in the creek. played a rousing game of street hockey. ate lots of Gramma's

food. fell asleep to Grampa telling stories of when he was a boy. They went home wishing to stay for a year. "Let's do it again!" is mutual.

Between the lines of living out our days, moment by moment we have been sustained by the lesson of the birds - How much more God cares for us!

Grace and Peace to you and yours in 2023.

outdoor furniture

Poly Furniture never needs to be painted or stained because it is built with recycled plastic that will not rot or splinter. The color will never wear off because it is embedded throughout the product. A UV protective agent keeps fading to a minimum. Poly furniture is not affected by most corrosive substances, and it will not promote bacterial growth

Cleaning is easy. Most dirt wipes away with nonabrasive soap and water or a soft bristle brush. Light colors may need to be cleaned more often than dark colors. In extreme situations, spray the furniture with nonabrasive cleaner and wash it using a high-pressure washer. Do not place the tip of the pressure washer closer than 8" - 12" from furniture or it may damage the poly lumber.

Limited Warranty. Our polyethylene outdoor furniture products are warranted to be free of original defects in workmanship and materials for 20 years of residential use or 5 years commercial use.

playsets

TIPS FOR CHOOSING A PLAYSET

OBSERVE your children at a playground.

Do your children like to climb, swing, or play in a fort? By observing their play, you can choose a configuration that builds on their strengths. Your new playset will encourage them to achieve new skills and help grow strong bodies.

INVEST so your kids can grow into their playset.

When taking the time and money to invest in a playset, invest for the future. Your kids may not reach the monkey bars today. Give them some time and they will seek the challenge to cross that expanse.

ENJOY the fun.

FAMILIES provides installation as complimentary along with 50 FREE miles. Additional miles \$3. The site preparation is the home owner's responsibility and we need 5' – 8' wide access to your backyard. If you have any questions regarding your playset we are happy to help you plan your playground.

Quality In Every Detail

HIDEOUT & TURBO ESCAPE

RESIDENTIAL LIMITED LIFETIME 20-YEAR & 5-YEAR WARRANTY

Swing Kingdom warrants to the original purchaser at the original installation address, that the structural components of the playground systems, such as the PVC plastic lumber and wood components are covered by a 20-year warranty. In addition all canopies, slides, metal components, swings and accessories are warranted for 5 years from date of original purchase.

COMMERCIAL LIMITED LIFETIME, 50-YEAR & 10-YEAR WARRANTY

Swing Kingdom units are built to meet **CPSC guidelines and ASTM F1487 standards**. They have not been tested for the general public use.

Swing Kingdom warrants to the original purchaser at the original installation address, that the structural components of the playground systems, such as the PVC plastic lumber and wood components are covered by a 50-year warranty. In addition all canopies, slides, metal components, swings and accessories are warranted for 10 years from date of original purchase.

WHEN DESIGNING A PLAYGROUND FOR YOUR COMMUNITY OR ESTABLISHMENT.

#1. opportunity for all ages and abilities. Outdoor play is essential for developing their critical thinking, problem-solving, and social skills. It is good to include activities and accessories that are appropriate for all age and skill groups.

#2. safety standards and requirements. When building a pad for your playground we recommend a 4' - 6' margin, referred to as a use zone. For easy figuring add 10' to the dimensions listed.

#3. maintenance. Vinyl construction will ensure that your playground remains durable and attractive for years.
